

PATRON IN CHIEF MESSAGE

Admiral Muhammad Zakaullah NI(M)

I feel myself privileged to be associated with such an august body of men who have spent a lifetime in the service of our beloved motherland. THE NAVY LEAGUE, since its genesis has been doing charity work which is indeed applaudable.

Though providing a platform to our valiant predecessors to continue their endeavours after retirement is the principal function of THE NAVY LEAGUE, their get-togethers and other such ventures add colour to their family life.

It is heartening to see our predecessors strive tirelessly as I am aware of the difficulties that had to be surmounted to achieve the present status of this noble organization. THE NAVY LEAGUE has taken on various benevolent activities, which have reduced the misery of many found in need of help.

It was a dream of retired Naval fraternity to see THE NAVY LEAGUE in the up-country due to nostalgia of past affiliation. The addition of Lahore Chapter is a giant step towards that end. To the members of THE NAVY LEAGUE, I assure you that Naval Headquarters will continue to support in furtherance of your goals.

May Almighty Allah help you in your endeavours. Aameen!
